WINTER UNIVERSIADE TECHNICAL REGULATIONS

1 The sports events of the ... (N°) Winter Universiade........................ shall be organised in accordance with the most recent technical rules of the appropriate ISFs unless otherwise stated by the Sports Regulations of the concerned sport or by the FISU CGS.

2 Any protest of a sports or disciplinary nature must reach the Jury or other competent authority, according to the regulations laid down by the appropriate ISF.

Such protest must be accompanied by a deposit, the amount of which is set in line with the ISF regulations, if not otherwise specified in the technical regulations of the concerned sport (cf. Sports Regulations).

3 Each Head of Delegation or his/her deputy is authorised to lodge an appeal against the decision of the Jury. This appeal must be submitted in writing to the Jury of Appeal or competent authority in accordance with the regulations of the appropriate ISF.

4 Any decision of the Jury of Appeal or equivalent authority of a sport is final and must be reported immediately to the Head of Delegation of the country concerned.

Any sport disciplinary situation, which cannot be satisfactorily resolved by the sports technical committees and the sport-specific disciplinary regulations, will be reported to the FISU Disciplinary Committee for further action to be taken. Where appropriate, a report will also be sent to the ISF concerned.

5 For team events, the format of the tournament, including the classification method, will be fixed by the FISU Executive Committee on the proposal of the Chairperson of the CTI-UH.

At the latest one (1) year before the opening ceremony of the Winter Universiade, the Winter Universiade Supervision Committee and the International Technical Sub-committee for the Winter Universiade will approve the organisation and the sports venues.

6 Team Selection and team draw

6.1 For the selection of team sports, where the number of entries is larger than the authorised participation level, the following criteria will be applied:
   a) the entry/nomination and the payment of guarantee;
   b) those teams who finished in the top half of the previous Winter Universiade competition and / or FISU World University Championship will
be automatically qualified to participate but must fulfil the conditions of the FISU entry procedure;

c) the team who finished last in a competition involving less than ten (10) teams, and last two (2) in a competition involving ten (10) or more teams will not be selected.

d) the team of the host country is automatically qualified; therefore, if it is placed as described in c), then the team placed before will be eliminated instead of it.

e) The remaining participating teams will be selected by a wild-card system according to criteria defined by the FISU CTI-UH (geographical and continental representation, FISU ranking, ISF ranking).

FISU will announce the selection of participating teams no later than six (6) months prior to the opening ceremony of the Winter Universiade.

The selected teams have to confirm their arrival and departure to the Organising Committee no later than one (1) month before the start of the tournament. Any country failing to fulfil this obligation may be considered as withdrawn and a team from the reserve list may be invited for substitution.

6.2 In drawing the pools or rounds for team sports, previous results will be taken into account.

For the draw of preliminary pools for team sport competitions, the FISU ranking will be based on:

a) previous Winter Universiade results;

b) participation in the previous Winter Universiade;

c) continental representation;

d) international sports federations ranking- senior level and corresponding age group if appropriate;

7 If the number of entries in a team sport is excessive, preliminary matches may be played before the opening ceremony of the Winter Universiade.

The system used shall correspond to the one used by the International Sport Federation concerned.

Plate tournaments will be organised during the Winter Universiade for the losers of the preliminary tournaments organised during the Winter Universiade as decided by the Technical Committee of the sport concerned.

8 The doping control for the sports disciplines or events determined, must be done taking into consideration the regulations of the appropriate ISF and determined by the FISU Executive Committee (cf. FISU Medical Services & Doping Control Regulations).
Any competitor who refuses to undergo a doping test, or who is found guilty of doping shall be eliminated from the entire competition. If the competitor belongs to a team, the match or competition in question shall be forfeited by that team.

In sports in which a team may no longer compete after a member has been disqualified, the remaining members may compete on an individual basis (cf. FISU Medical Services & Doping Control Regulations).

10 Technical Officials

10.1 Technical Officials include referees and judges and other sport-specific officials that are required for the smooth running of the sports competitions. There are International Technical Officials (ITOs) and National Technical Officials (NTOs) in accordance with the rules and regulations of each sport. In principle, ITOs are taking the senior-officiating positions. They are nominated by the ISFs or proposed by the NUSFs according to the technical regulations, and approved by the FISU CTI-UH. NTOs are nominated by the NSFs in consultation with the OC and are taking a support role.

For those sports where nomination of ITOs will be determined by FISU CTI-UH, the countries must communicate to the Organising Committee at the latest four (4) months before the opening ceremony of the Winter Universiade the name(s) and category of (ITOs) (1 effective + 1 non-travelling substitute). If the names are not received by this time, FISU CTI-UH shall have the right to arrange for substitute officials.

ITOs are not considered as members of the delegation and do not include ISF Technical Delegates, who are members of the FISU Family.

10.2 The costs of stay, travel from their home to the official points of entry designated for the Winter Universiade as well as the per diem for all ITOs are borne by the Organising Committee. For some of the sports in the WU programme, the OC is entitled to collect from the participating countries a fixed contribution fee in order to cover the ITOs’ costs. The specific requirements and terms are set out in the technical regulations of each particular sport. The fixed contribution fee for ITO’s costs per athlete/team participating in the concerned sport is indicated in the following table:

<table>
<thead>
<tr>
<th>Sport</th>
<th>NUSF contribution fee</th>

The costs calculation includes the travel expenses, per diem and participation fee. The participation fee is the same as for athletes and officials ......EUR/day
The amount will have to be paid by the Head of Delegation to the Organising Committee during the accreditation process upon arrival to the Winter Universiade for individual sports and for team sports will be deducted from the team deposit.

If the country does not pay the requested costs/expenses for the ITOs at the time of accreditation, the country will not receive any accreditation and will not be allowed to compete in the sport concerned.

10.3 Following the technical regulations of each particular sport, ITOs are entitled to receive a per diem in the amount defined in FISU-ISF partnership agreements, for their entire period of duty (including travel days).

Any financial dues to the ITOs must be paid by the Organising Committee at the latest two (2) days after their arrival to the Universiade. The payment must be done in cash or by bank transfer in EURO currency according to the procedure agreed between the OC and FISU.

The OC must ensure that all ITOs are properly informed about the process of payment well in advance before the start of the Winter Universiade.

10.4 The Organising Committee must invite the ITOs no later than three (3) months before the opening ceremony of the Winter Universiade. This includes administrative obligations such as visa application, flight arrangements and accommodation procurement.

The Organising Committee will be liable for all extra costs that may result from not fulfilling this obligation.

10.5 Unless otherwise stated by the FISU CTI-UH, all international technical officials (ITOs) are to arrive one (1) day prior to their first official meeting as agreed between FISU and the OC and depart one (1) day after the end of competition. ITO’s are to be accommodated in single rooms.

10.6 International Technical Officials (ITOs) confirmed for a FISU event who wish to withdraw must do so in writing to the Organising Committee, with copy to FISU and the concerned ISF. After flight tickets are purchased, ITOs are obliged to attend the event. No shows or last-minute withdrawals without significant reason (medical conditions, etc.) will be fully charged to the ITO by the Organising Committee and will be reported to the FISU and ISF for further action.
