## TECHNICAL REGULATIONS

### 1 GENERAL TERMS

1.1 The sports events of the (City) (Year) FISU World University Games shall be organised in accordance with the most recent technical rules of the appropriate IFs unless otherwise stated by the Sports Regulations of the concerned sport or by the FISU Sport Management Committee (CGS).

1.2 Any protest of a sports or disciplinary nature must reach the Jury or other competent authority, according to the regulations laid down by the appropriate IF.

Such protest must be accompanied by a deposit, the amount of which is set in line with the IF regulations, if not otherwise specified in the technical regulations of the concerned sport (cf. Sports Regulations).

1.3 Each Head of Delegation or his/her deputy is authorised to lodge an appeal against the decision of the Jury. This appeal must be submitted in writing to the Jury of Appeal or competent authority in accordance with the regulations of the appropriate IF.

1.4 Any decision of the Jury of Appeal or equivalent authority of a sport is final and must be reported immediately to the Head of Delegation of the country concerned.

Any sport disciplinary situation, which cannot be satisfactorily resolved by the sport technical committees and the sport-specific disciplinary regulations, will be reported to the FISU Disciplinary Committee for further action to be taken.

Where appropriate, a report will also be sent to the IF concerned.

1.5 For team events, the format of the tournament, including the classification method, will be fixed by the FISU Executive Committee on the proposal of the FISU Games ITC.

At the latest one year before the opening ceremony of the FISU World University Games, the FISU Games Coordinator and the FISU Games ITC will approve the organisation and the sports venues.

### 2 TEAM SELECTION AND TEAM DRAW

2.1 For the selection of team sports, where the number of entries is larger than the authorised participation number, the team selection criteria stated in the concerned sport regulations will be applied.

FISU will announce the selection of participating teams no later than six months prior to the opening ceremony of the FISU World University Games.

The selected teams have to confirm their arrival and departure to the Organising Committee no later than one month before the start of the tournament. Any country failing to fulfil this obligation may be considered as withdrawn and a team from the reserve list may be invited for substitution.

2.2 In drawing the pools or rounds for team sports, previous results will be taken into account following the criteria stated in the concerned sport regulations.

2.3 Preliminary matches may be played before the opening ceremony of the FISU World University Games.

The system used shall correspond to the one used by the International Federation concerned.

Plate tournaments will be organised during the FISU World University Games for the losers of the preliminary tournaments organised during the FISU Games as decided by the FISU Games ITC.

### **3 DOPING CONTROL**

3.1 The doping control for the sports events shall be carried out according to the current FISU Anti-Doping Rules respecting the current anti-doping regulations of the appropriate IF.

3.2 The Organising Committee shall provide at its own cost a plan and carry out doping controls for the FISU events according to the FISU Anti-Doping Rules and the IF Regulations. The number of doping control samples shall be agreed upon by the FISU International Medical Committee (CMI) and the Organising Committee. In all situations, FISU will have final authority.

3.3 The Organising Committee shall sign a contract at its own cost with a WADA-accredited laboratory for the number of doping control samples in the anti-doping plan. This contract will stipulate that the laboratory must send the results of the analysis to the FISU International Medical Committee (CMI).

3.4 The Organising Committee shall provide WADA-approved anti-doping kits to perform the doping controls according to the FISU Anti-Doping Rules.

3.5 The Organising Committee shall contract at its own cost an appropriate and secure way of transporting the doping control samples to the laboratory, according to the FISU Anti-Doping Rules.

- 3.6 The Organising Committee shall provide trained doping control staff (Doping Control Officers, Chaperones and Couriers) to comply with the FISU Anti-Doping Rules. This staff will be responsible for the collection of samples and transportation according to FISU and WADA rules. FISU recommends that the Organising Committee contract with the appropriate NADO or RADO for these services.

## **4 TECHNICAL OFFICIALS**

- 4.1 Technical Officials include referees and judges and other sport-specific officials that are required for the smooth running of the sports competitions. There are International Technical Officials (ITOs) and National Technical Officials (NTOs) in accordance with the rules and regulations of each sport. In principle, ITOs are taking the senior-officiating positions. They are nominated by the IFs or proposed by the NUSFs according to the concerned sport regulations and approved by the FISU Games ITC. NTOs are nominated by the NFs in consultation with the OC and are taking a support role.

Detailed duties and obligations regarding ITOs are determined in the ITOs Policy.

### **4.2 Nomination**

The ITOs can be nominated through two ways, as indicated below.

- a) The IF/FISU Games ITC proposes and nominates the ITOs:
- Alpine Skiing
  - Biathlon
  - Cross-Country Skiing
  - Curling
  - Freestyle & Freeski
  - Snowboard
- b) The delegation proposes and the IF/FISU Games ITC select and nominate the ITOs:
- Ice Hockey
  - Figure Skating
  - Short Track Speed Skating

For Ice Hockey, Figure Skating and Short Track Speed Skating, delegations must submit the ITOs Nominative entries through the OAS four months before the opening ceremony of the FISU World University Games, as set out in the regulations of each particular sport. If the names are not received by this time, the FISU Games ITC shall have the right to arrange for substitute officials.

ITOs are not considered as members of the delegation and do not include IF Technical Delegates, who are members of the FISU Family.

- 4.3 The Organising Committee must invite the ITOs no later than three months before the opening ceremony of the FISU World University Games. This includes administrative obligations such as visa application, flight arrangements and accommodation procurement.

The Organising Committee will be liable for all extra costs that may result from not fulfilling this obligation.

#### 4.4 Financial obligations

- 4.4.1 The financial obligations include the costs for travel, accommodation, full board and per diem.

Following the concerned FISU Sport Regulations, ITOs are entitled to receive a per diem in the amount defined in FISU-IF partnership agreements, for their entire period of duty (including travel days).

Any agreed financial dues to the ITOs must be paid by the Organising Committee at the latest two days after their arrival to the FISU World University Games. The payment must be done in cash or by bank transfer in EURO currency according to the procedure agreed between the OC and FISU.

The OC must ensure that all ITOs are properly informed about the process of payment well in advance of the opening ceremony of the FISU World University Games.

- 4.4.2 Contribution fee for the ITOs' costs

For some of the sports in the FISU Games sport programme (listed in the table below), the OC is entitled to collect from the participating delegations a fixed contribution fee for the ITOs' costs. The specific requirements and terms are set out in the concerned FISU Sport Regulations. The fixed contribution fees for ITO's costs per athlete/team participating in the concerned sport are indicated in the following table:

Sport	Contribution fee for the ITOs' costs
Figure Skating	300 EUR per athlete
Synchronized Skating	1,500 EUR per team
Ice Hockey	3,000 EUR per team
Short Track Speed Skating	100 EUR per athlete
Nordic Combined	100 EUR per athlete
Ski Jumping	100 EUR per athlete
Speed Skating	100 EUR per athlete

The contribution fee for the ITOs' costs must be paid by the Head of Delegation or his/her representative to the Organising Committee during the accreditation process upon arrival to the FISU World University Games.

If a delegation does not pay the requested contribution fee for the ITOs' costs at the time of accreditation, the delegation will not receive any accreditation and will not be allowed to compete in the sport concerned.

All other ITOs costs remain as the responsibility of the Organising Committee or the IF, as stated in the FISU Sport Regulations of the concerned sports.

#### 4.5 Arrival and departure days

Unless otherwise stated by the FISU Games ITC, all International Technical Officials (ITOs) are to arrive one day prior to their first official meeting as agreed between FISU and the OC and depart one day after the end of competition.

#### 4.6 Accommodation

ITOs are to be accommodated in single rooms.

#### 4.7 Further duties and obligations regarding ITOs are determined in the ITOs Policy.
